“ While I'm saddened to learn of the death of Mrs. Scott, it saddens God even more. I will always treasure the love and kindness that Mrs. Scott exhibited to me and everyone with whom she came in contact. She was truly a blessing from our Father in Heaven.

God bless you

“ To the Family of Almeta Scott I am so grateful to have know her for so many years. She was not only a mentor to me, but like a second mother. I could always call her for advise on anything. I met her many years ago when I went to work for Lisa's East Side Beauty Salon in Paterson, NJ. We worked closely together in the salon. I have visited her home in Columbia a few times after she relocated back to SC. We stayed in contact over the years and we would talk over the phone often. I was sadden to hear of her passing, but I rejoice knowing she has gone to be with our lord and savior. Almeta will truly be missed by many who knew her. I will really miss her. To the Blakley family look to the hills from which cometh your help all of your help comes from the lord. Earth has no sorrow that heaven can not heal..... Timothy Lassiter.
