“ *To our grandson Anthony*

*Anthony grandpa and grandma promised each other we would wait a year before we wrote you this letter*

*Anthony we know you are with God, Jesus and the Angels, we believe this with all are soul. We will never know why you had to leave this earth when we prayed for you to be able to stay with us. We know God had a reason and if we are so blessed to see you on the other side when it is our time the reason will not matter anymore.*

*Only God knows the pain that grips us when we are not able to hold you. Anthony we have so many blessed memories of your unconditional love, joy, smiles and laughter that comforts us.*

*Anthony you will always grandma's sunshine and grandpa's hero just as it was the day you were born.*

*So our beloved grandson Anthony we will celebrate March 17, 2017 with how much your life and time on this earth meant to us.*

*Forever and Always love grandma and grandpa from your second home in Canada*

“ Hello

*I just happened to read Andrew's obituary and felt compelled to write. I cannot imagine the pain of losing this little boy, I'm so sorry.*

*It is my hope that some thoughts from the Bible will bring you some hope, comfort and peace. It was never God's intention that we should die. When He put Adam and Eve in the Garden of Eden, he also put before them the prospect of living forever happy and in good health. (Genesis 1:28)*

*Our creator has not given up on that original plan..perfect live on paradise earth...even though Satan, Adam and Eve messed up (Isaiah 55:10-11)*

*The Bible tells us that it is Satan who is responsible for death, and not God as some would tell us. (Hebrews 2:14)*

*Our creator Jehovah God sent his Son Jesus Christ to ransom us from death and to destroy the works of the Devil (1 John 3:8)*

*Jesus said: "I am the resurrection and the life. He that exercises faith in me will live though he dies." (John 11:25)*

*With Jesus Christ enthroned as King of God's Kingdom, resurrection of the dead - including Andrew - and a restoration of paradise on earth is assured.*

*It is My hope that until that time comes, you will find hope, comfort and peace in these promises from God.*

“ *My fondest memory of you is this past Thanksgiving when you were spinning and jumping around in Momma front yard with the rest of the kids and I even played a little while with you. You had such a wonderful time and I will always keep that moment close to my heart. I thank God for the time you had here with us though short lived you touched a lot of people. You were a strong lil man that kept that beautiful smile on your face so until we meet again rest baby boy ❤️ Starla, Layah, Tre'lyn & Taylor*
