“ Mazie, it is with heart felt sympathy that I send this message to you, "to be absent from the body is to be present with God". Know that your husband has seen the face of God and will always be present with you. We often sing of when I see Jesus Amen. Now that the face of Jesus has been seen, we say Amen. I will be praying for you, knowing that your strength and help will come from our Creator. Love you always, Annie Sue Blanding Strong, your TI freshman room-mate.
