“ To My Uncle Charles

*The time has come to say Goodbye
I will try my best not to cry*

*You prepared us all, I know, but,
It's still so hard to let you go.*

*Just when we were starting to really communicate
that ugly cancer took you away, but, you did not go alone
part of us went with you
the day God took you home*

*Trust me I know you are in a better place,
no more pain, no more treatments, no one invading your space.*

*Thank you uncle for all you gave
For everything you showed us along the way*

*Now I want to say to you
How much I love and miss you too*

*So rest in peace uncle of mine
I will wear my white ribbon for you, and,
I'll see you again when it's my time.*

Love Danni
