“ Vette and Family,
My heart, prayers, and sincere condolences is extended to your family during this difficult time, just know that Troy is with the Lord now doing "His Work" and still watching over those he loved and left behind. Remembering the "good times" that the two of you shared will carry you through the rough patches.
Be blessed and look to the Lord from which cometh your help.

“ I am sorry to hear of your loss. One of the most difficult things we have to deal with is the death of a loved one. The Bible promise; "And he will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore. The former things has passed away." The Bible gives us hope that one day our dead loved ones will be brought back to life.
