“ LT did not like for me to call him David because I know I was serious. He has been in my life for over 11 years and the god father of my oldest daughter. He will never be forgotten by me or his god daughter. We became so close to where he was family. My brother. I will love him forever for him just being LT. I will truly miss my brother bit I know he is at peace and will be waiting for his loved ones when it's time. I love you David.

“ *I will always remember the love David and I shared. He wasn't just my significant other he was my "Best Friend". I know without a shadow of doubt he loved me unconditionally. David touched everyone he came in contact with rather they were old or young. He had a purpose for being here on earth and that purpose was to bring a smile to everyone face he came in contact with. There was never a dull moment in my life when I was with him. To the family and friends I just want to say he will always live on in my Heart forever. R.I.P " LT"*

“ To David's family, David was such a fun loving person. He always kept us laughing at work with his crazy sense of humor. Just know that you had a loving grandson, father, brother and uncle. He truly will be missed by the IHG family. Just be strong and know that he's in heaven making everybody up their laugh. Sincerely Mrs. Stacy Johnson
