“ *Dear Kim, Wayne, Tim, and Stephen and Bruce  
I regret to hear of the loss of your dear, sweet Mother. I would hope that my prayers would bring some needed comfort and peace. But I am aware that in these very moment the right words that I only wish could bring healing are so insignificant. What I want most for you to know is that We love you so much. I have not seen you in a while but my love has not changed. My wish and prayer for you at this time is for you to be greeted by loving friends and family, that you would find people you never knew the magnitude of their love for you and your Mom, and comfort from God that only He can give.  
Love you Family  
Sincerely  
Chandra Richardson and the Richardson Family*
