“ *Diane was the heart and soul of our unit, the 354th Civil Engineers at Myrtle Beach AFB. She could be whatever you needed at all times. She was a boss, coworker, cheerleader, mother, sister, friend and could do that all in one day. She was kind when I needed it and stern when I needed that. Her laugh was unforgettable and despite not hearing it for 25 years I can still hear it today as if she was standing right next to me. And of course she is and will always be watching over all of us. I love and will miss you Diane. Cereal!!*

“ *Diane was my go-to lady when I worked at Lowe's, and helped her and the CE Sq. She knew I knew you, Freddie, from the Auto Hobby Shop. She always had kind words, and was always a gentle woman. My deepest condolences to you and your family!*

“ *My family and I meet Mrs. Welch many years ago at St. Mark Four Bridges Church. She was such a kind and giving person that would let her light shine no matter where she was. She had such a humble spirit and she continued to send my children daily scripture readings. She will truly be missed. Mrs. Welch fought a good fight. My family and I offer our sincere condolences during this time.*

“ Muffy’s sister and I were high school sweethearts and I met the family at their Mom’s wake. I grew to love the whole family like they were my own. We took turns at babysitting Mick & Missy. Muff was a natural with children though. God gave her a heart for children and Jesus. She was personally responsible for leading others to the Lord and eternal life. I loved getting Bible verses from her daily from her devotions. She is at peace now through Gracy of our Savior, Jesus but before she went home she spread hope and peace through Gods word right up TIL the beginning of her new life in Glory.
