“ My dear aunt Emma. I will miss your laugh and your sweet nature. We would always talk about our birthdays being on March 7th. I know you are no longer suffering, however I am deeply saddened that you lived in such pain for so long. I know today you are with God The Father and feel no more pain. We love and will miss you dearly Patricia and William Johnson Jr. Rest In Heavenly Peace.

“ My grandmother was the sweetest most helpful person I have ever known. I love her and will miss her dearly, but I have the peace and comfort that she is no longer suffering and is now rejoicing in Heaven. We will meet again.

My dear aunt Emma has gone on to be with the Father. She and I shared March 7th. She had a heart of gold. It hurt me that she suffered so much. Although mankind did not honor and treasure her for the jewel she was, I'm sure today she is welcomed with the everlasting arms of God. Rest In Heavenly Peace Emma. I love you and dad loves you too. You're in good hands now. Your niece Patricia Johnson and oldest brother William Johnson.

*Grandma I miss you every day and I'm dealing with your loss in my own special way, I wish I had more time to spend with you, so questions unanswered, I miss your smile, love, your hugs and kisses, your intelligence, and your long beautiful hair grandma and I'm doing the best I can do right down here on earth so when I do die I will be able to hug and laugh with you again, you did a great job trying to help raise me and my siblings, but the bond you and I had was unbreakable. I love you and I will never forget you, now you can rest*
