“ The Bynoe Family, I really do not know how to express my condolence. When I was hired at St. Luke's, Herbert made sure I felt at home and would come by almost every time Fr. Griffin was off. We would talk for hours and shared so many stories over the past 20+ years. Herbert became a true friend that I could really trust and depend on. One thing I know for sure, he was so proud of his family and I still see the smiles on his face and hear the laughter in his voice when he spoke of you. You were so privileged and honored to be able to call him: husband, brother, father, grandfather and/or cousin. Right now, my heart is heavy and a piece of me is missing but I do feel honored and privileged that he was my friend and I will always hold him to the highest regards.- Sheryl D.

“ On behalf of Ft. Rapiell and the members of St.Luke's Episcopal Church we extend our condolences to the family.,Mr. Bynoe was a very faithful and outstanding member of St.Luke's Episcopal Church. He gave all of his time ,self and love to God and God's people.As a former Senior Warden of the church he went beyond his call watching out for the welfare of the church and his members. Mr. Bynoe was a very patient and caring man and always had time for his church members. We will truly miss his warm and gentle spirit. Take your well deserved rest. I know that God has already welcome you with arms open wide,so enjoy your journey and be blessed my brother.
