God, please bless this family, from the Westinghouse family with love and prayer. Lost of fun memories of Johnny as we have been talking operator to operator those that knew him best. He was funny, always telling stories about the golden days of Westinghouse. Johnny did not mind telling things the way they really were a truthful man indeed. To Phyllis and family we will miss Johnny but as we believe in God and all His goodness His Word says (to be absent from the body is to be present with the Lord). May heaven continue to shine on you all.

Swag.
