“ *About Julia*

*Such an unforgettable personality and beautiful smile,  
She could spark joy in your heart to cross a mile.  
Just at the moment when we had become so close,  
I must now cherish our memories in healthy dose.  
The joy we shared was like a ray of sunshine,  
Shining brightly in her life and mine.  
Now she has been called to a better place.  
Where the sun will forever shine upon her face.*
