“ *I am a diehard Gamecock Fan who has driven by Nab's hundreds of times. I always smiled when I passed the Picnic Shelter, because it reminded me of "Home" and "Family". Celebrate His Life!*

“ *Leroy worked for my father in law forever as long as I can remember, was a great person and could solve any problems we had at work. when I can into the business it was Leroy who taught me the business from the bottom up. Leroy handled all the CEO's, Presidents and anyone that was important, the Colonels to the Generals at Ft Jackson and these people would request him when they were ready to move again. We were so thankful to have Leroy work for us for so many years and for me just to know Leroy was a great gift. Mazie and family you were blessed to have Leroy for all those many years, he will be missed. Mike & Kay Lewter*

“ I am sorry to hear of your loss. The Bible offers comfort at Revelation 21:4. It reads: "Do not be amazed at this, for the hour is coming in which all that are in the memorial tombs will hear his voice and come out."
