“ To Lorena’s family. Please accept my condolences for the loss of our beloved sorority sister. Lorena and I go back to kindergarten. We both graduated from Mrs. Hope’s kindergarten in 1960. She reminded me of that a couple of years ago by sharing our graduation photo. We went to different high schools. She went to Johnson and I went to Keenan. We met up again at the University of South Carolina. In 1974 she became my sorority sister as a member of Alpha Kappa Alpha Sorority, Inc. I was her big sister. A couple of years ago we reconnected before our chapter’s (Theta Gamma’s) 50th anniversary. I saw her at the celebration. It’s amazing that when we talked, we caught up on everybody and everything. I must have run across her mind on New Years Day because she sent me a Happy New Year’s text. I sent her one back. I was saddened to hear that she had passed. I hope that your memories of her help you through this difficult time. My prayers and thoughts are with you.
