“ To Martha, Corbett and the Grant Family, sincere condolences to you during this most difficult and trying time. Thoughts and prayers are being sent your way everyday.  
"To send our deepest sympathy just doesn't seem like enough. We know how your grief must burden you, how this time must be so rough, but try to believe in your hearts of hearts that your pain won't last forever, that sadness will lighten a little each day, and you'll eventually feel much better. When that day comes, your memories will focus on the good, not what was sad. Instead of feeling burdened by your tears, you'll cherish the happy times you had." We Love you.
