“ *I am not sure if and when I will be able to accept the fact that you are gone. I will never forget the prank we played on you while you worked with me at DSS. That day was priceless. It could have went on for days if we didn't laugh so hard at the fact that you were really confused and gave ourselves up. I am so glad I met you and you will never be forgotten. Rest on babygirl and watch over us all!!!! R.I.P*

“ My Angel, LuQueena,

*In the arms of the angels
you flew away from here,
From this place
And the endlessness you feared,
You were pulled from this world's wreckage
of your silent reverie,
You now are in the arms of the angels,
MAY YOU FIND COMFORT THERE.*

*I will always LOVE you babygirl.
Your smile will live on forever in my heart.
I thank GOD for the time he allowed me
to borrow you from HIM.*

“ Queena!!! I don't even know where to begin. Im still having a hard time putting this together that its not a dream. Meeting you while working at DSS was a joy. It was like I've known you forever. I will never forget our lunches at the waffle house. Our favorite spot and how u would laugh at how much food I would eat. Man we were suppose to get together soon before I had the baby so I could get my pecan waffle. Lol I never had the chance to show you my skills on the court for our one on one game. Girl you have no idea how much I'm going to miss you. I was up crazy late last night reading thru our text conversations and all I could do was laugh. Meeting you was a pleasure. Thank you for all of the laughs and our talks. You were such a sweet person who seemed to never meet a stranger. Get your rest my friend. Love you forever and I'll always be thinking of you.

As my son said, we will miss our cousin Keena!!! I don't have many friends that he is connected to, but you had a way with the kids... The love and memories you shared with me and my family, I am forever grateful. To have known such a genuine person these days is such a blessing.
