“ My wife and I were saddened to hear of Maceo’s passing. I just found out that he has gone on to be with the ancestors. Maceo and I go back to elementary school and the Boy Scouts. We were on a camping trip in New Mexico where we both got chased by a bear and we have developed a maintain a friendship for over 60 years. I will miss my friend deeply and I will try to keep all of the memories we share for as I live. We pray that the family will remain strong and please remember that Maceo is in a better place.

*A Friend Always*
