

Mr. Marcus Curtley Solomon

July 30, 1950 - April 11, 2023

Marcus Curtley Solomon was born July 30, 1950 to Mr. Albert Solomon and Mrs. Martha Scott Solomon, (RN) in Sumter, SC. In his early childhood, Marcus attended Sumter County schools and relocated to Lee County. As a child, Marcus was known to be extremely fun, active, adventurous, and playful alongside his two younger siblings. Up until the time of his death, Marcus lived in his own home with oversight provided by the Lee County Disabilities Board where he authentically touched the lives of many direct support professional employees, managers, administrators, and executives alike. One former executive in particular, Mrs. Ruby Gibbs, committed to caring for Marcus for several decades and affectionately ensured all his needs were met. Though he was a man of very few words Marcus would make his needs and desires known amongst all. Spending time with Marcus would cause anyone to say that his infectious smile and overall gentle and sweet demeanor would brighten anyone's day. Let's not fail to mention his love for fried chicken and car rides.

Marcus is preceded in death by his parents, Mr. and Mrs. Albert (Martha) Solomon and his two younger siblings, Dr. Sharon Solomon Cruz, and Mr. Ronald Solomon.

Marcus leaves behind, four nieces, Ms. Annette Solomon Douglas of Georgia, Miss Chiquita Solomon of New York, Mrs. Dana Solomon (Jason) Grant of

Georgia, and Dr. April Solomon (Jaysen) DeLandro of Virginia. Marcus also leaves behind 4 grand nieces, 9 grand nephews, 2 great-grand nieces, and 2 great-grand nephews; a brother-in-law, Allen Cruz of New York, a sister-in-law, Deborah Solomon of Myrtle Beach, SC, all of whom will miss him tremendously but maintain solace in knowing he is resting peacefully while present with the Lord.
