“To the family of Marilyn, I know that she will be truly missed and I knew that she was loved and she loved her family wholeheartedly. I will miss our long talks we used to have when we ran into each at the store. She loved talking about her niece and her nephews, she was so fond of them her face always lit up when she spoke of them. For I will always remember the smile she always had on her lovely face. May she Rest In Peace with her Heavenly Father. Teresa Nelson

“ Marilyn you will be missed! You have always been a quiet smart lady. During our meetings and conversations in Columbia, you smiled with excitement and joy. Even though we did not see or talk with each other daily, some people like yourself leave an everlasting foot print in the heart to remember and cherish "forever"! Rest in Peace my classmate and friend!!! Ruth Mathis Hopkins
