“ *Hey Nana, Just letting you know I'm back in New York & I still can't get my head straight after you left Earth to another place. Even though it's been more than a month it'll never be the same . I'll manage .. It feels like I'm walking on a bed of open flame & never feeling the pain until it's over. I can say a million things to you nana & keep talking but I know you'll come visit me again.. & when you do we can play some bingo until I have to wake up .. ITS HARD WHEN YOU DONT KNOW HOW IT'LL START BUT YOU KNOW HOW IT WILL END .. L I F E ..*

“ *To one of my best friends! My dear grandmother. I will miss our conversations three to four times a week, where we used that time to speak about everything ... Just the sound of your voice warmed my heart and brought a smile to my face.*

You remembered people, places and things that I had totally forgotten. I have so many precious memories of our time together, that my plate is full. A plate that runeth over. You never got to make it back up to New York in the flesh, but you will always be here with me in my HEART. I will continue to pick up the phone to hear you say "Hey gal, what you doing!" I know you won't forget to call me either. We would never say goodbye when it was time to hang up. We always said we LOVED eachother and talk to you soon...

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

NANA KEEP YOUR HANDS ON YOUR FAMILY. Love Tajuana
