“ *Mary Dale was my 1st best friend and my heart is broken. I didn't know of her passing until 2/6/2017. My memory is when we would run toward each other on Water Street and just hug as there was no one else in the world. Her Aunt Mimi and my mom would just shake their heads. What a loss - a profound loss. My heart is broken. Heaven has gained another angel with that beautiful smile. I'll love you foreve.*

“*Mary Dale and I were good friends growing up. Her Father (the late Guy Sanders) and my Dad ( Melvin Jackson) were the best of friends/buddies so Dale and I grew up together in the same neighborhood. I remember Me Me ( her Aunt) and Missy her cat. We spent many New Years together and my Mom and her Mom fixed Chitterlings (which totally discuss me) but was always part of the holiday festivities. Uncle Guy and my Dad watched football games together annually.*

*Mary Dale was a gifted seamstress and pianist. Her music teacher Ms. Lucy Newby who eventually became my teacher as well. That was due to Aunt Gert prompting my Mother. I loved listening to Dale play the piano when I was a girl. We were both Daddy's girls and she doted on her Father like I did mine. I will never forget our lives as friends and neighbors on Water and Chappelle St. I recently went to visit her this past summer and took my oldest grandson for her to meet (Jeremiah). I will never forget our families lives together. My Mother taught her at Waverly Elementary and she was elementary classmates with : the Hall of Famer: Alexander English, Dr Gail Morgan, Dr. Kent Washington, Mr Collier Taylor, and Principal Parthenia Satterwhite (to name a few). We had the best of times in our neighborhood where people loved and appreciated each other. I was unable to make her home going service but her life and her family's is indeed etched in my heart forever. Farewell, to a great family and friend.*
