“ *Miriam I am so deeply saddened to learn of your passing. I picked up the phone today to have a conversation with you like we always do. When you didn't answer your phone my heart dropped because I knew in my gut something was wrong. I love you and will miss your dearly.*

“ *I am sorry to hear of your loss. One of the most difficult things we have to deal with is the death of a loved one. The Bible promise: "Do not be amazed at this, for the hour is coming when all that are in the memorial tombs will hear his voice and come out." The Bible gives us hope that one day our dead loved ones will be brought back to life..*
