“ I am sorry to hear of your loss. The death of a loved one is one of the most devastating experiences a human can face. At times, the loss can seem unbearable. The Bible promises: "God is close to the brokenhearted." It also says: "Throw your burden on God and he will sustain you." (Psalm 34:18 and 55:22) I hope this message will help you cope with the loss of your loved one.

“ Dear Family,
Words cannot express how you all must be feeling right now, but I truly believe that all things happen for a reason. We do not always understand why, but do know that GOD does not make mistakes and that HE is still in control. I promise HE will make it a little easier day by day! Our thoughts and prayers are with continuously. God's blessings!
