“ We are feeling very sad about our love one, Darrell. At this time we are remembering the gentle and loving spirit Darrell had. Penny and I (Karen) remembered Darrell taking so much time with us when we were kids growing up. Uncle Ralph and Aunt Mildred will always cherish when Darrell stayed with us during the summer when we lived in Washington, DC. They felt safe knowing Darrell was with us and at the same time was able to get a break from us. Most of all, we will always remember Darrell's big smile like his mom, our Aunt Williamae. We know Darrell is resting in Peace with our Heavenly Father and our prayers are with his family. We Love yall.

“ Sending love, respect, and prayers!! The grandfather to my children has always been loving to each of them and I will be forever grateful and thankful for everything he has done for them and myself. I pray that the entire family finds peace in the fact that he suffers no more and is with The Father looking over and being a guardian Angel to everyone who loved him! Love you always!
