“ Ms. Peggy was a great human being whose brief contact with most of us here at DHEC left us better for it. She made time for each person that walked into her little corner of this side of this agency, and would make every visit, for coffee, food, snacks . . . or just to chat, interesting by showing genuine interest in you and your topic of choice. I will never forget that she made it a point of remembrance to bring in turkey sausage patties just for me since she learned that I do not eat pork, and she would give a message to a colleague to let "Mr. Ali know the Turkey sausages are here for him...." When I did not go for days or weeks, she'd tell me, the next time I stopped by, of the many times she'd catered just for my purchase, but that she had not seen me in while, and would wonder if all was well. Well, I hope and pray that all is very well with her soul and that she is received so well in the great beyond that she is wishing she had gone earlier! Thank you, Ms. Peggy and Godspeed to a restful and peaceful eternity, by the grace, will and mercy of God almighty! Amen!!

“ *With Deepest Heartfelt Sympathy. I am deeply saddened. I would always see Peggy working in the canteen or mostly leaving as I was coming to lunch at work. She would always wish me a great day! Peggy was a bright light to a gloomy day. Always with a smile-that is how I will always remember her.*

I will continue to keep the family in my prayers
