“ *My sister Vivienne and I have only just heard of Robert's passing. We are devastated. We often refer to him as "Little Robert" because when he was at Ardenne in Jamaica, we used to be his big sisters. He would often try to get out of doing homework so Miss Beryl would ask us to monitor his schoolwork. We lived on the same street so this was easy to do. He was always happy and respectful. We will always love our little brother and miss him terribly.*

Condolences to Charmaine and all his children and other family members.
