

Ruth Miles Counts

March 14, 1930 - April 8, 2021

Ruth M. Counts departed this earthly life at the age of 91 on Thursday, April 8, 2021 surrounded by her children. She was the second of four daughters born to the late Frank Miles and late Marie Miles in Edgefield County, South Carolina. She was married to the late Durham W. Counts and four children – Darwin, Curtis, Vivian and Virgil - were born to this union. She graduated from Benedict College in Columbia, SC with a degree in Education/Library Science and received her Master's degree in Media Technology from Alabama A & M University in Huntsville, Alabama. She also pursued graduate studies at Clark Atlanta University and South Carolina State University. Her professional career included positions in education (K-12 and college level), occupational therapy, library science, media technology, and archives. She truly believed in the importance of HBCU's and had the opportunity to work at Paul Quinn College, Benedict College, Allen University, University of Maryland Eastern Shore (formerly Maryland State College), Washington Technical Institute (now University of the District of Columbia) and Alabama A & M University. During her retirement, she continued to work in education as a substitute teacher in Richland County.

She is preceded in death by her parents, her three sisters, and her youngest child. She is survived by her three children; daughter-in-law, four granddaughters; a great-granddaughter; a daughter-in-law; two nephews and their spouses; two nieces (one with spouse); and a host of great-grand and

great-great-grand nieces and nephews, and cousins.

Due to the COVID-19 pandemic and the Chapel's restriction on seating capacity for social distancing, the funeral attendance is only opened to family and program participants. For similar reasons, we cannot host home visitation at this time. However there is a public viewing of the body on Friday, April 16, 2021 from 1:00 pm - 5:00 pm at the Chapel.

After the pandemic is over, our family plans to have a celebration in honor of my mother that will be opened to all family and friends.

“ *What a sweet heart! She was a blessing for all of the years we had her at the center. She would surprise us all with her smooth dancing when we had music playing! Thank you for lending her to us so we could be a small part of her amazing life. She will not be forgotten.*

To the family of Mrs. Ruth M. Counts - Darwin (my clasmate), Curtis & Vivian.

Your Mother was such a sweet inspiration for all the days that I have known her.

My memories go back to elementary school through college, when she would impart words of wisdom & pleasantries anytime our paths crossed .

Her demeanor was one of quiet calm that would easily put a youngster at ease in any situation. I have many positive & pleasant memories of such a lovely personality of a lady. Family, I share with you in special memories of your dear Mother.

Blessings to each of you at a time such as this! MLK
