“ *My younger sister, Vickie and I did not always get along, due to conflicting personalities, but I feel that she knew that I love her and will always be there for her, and help her in any way that I can. Her being the baby, always wants everything this instant. Life sdoes not work that way. I have one other sister living. Vickie will be missed, and I know that she is with her Lord. She asked for forgiveness from me, her mother and GOD.*
