“ *To Dot, Francina, Loretta, Betty, Juanita and Deborah:
Oh my. What stories I can tell of the days we played, worked, cried
and basically lived together on the farm. What can I say but " That's
Rock in that Road". We go back so far. May God grant you strength
to deal with his absence. Love all of you dearly!

“ *I know you did what you thought best in the care of your father. I
remember a man with a positive outlook and father who worked
hard to take care of his wife and daughters.*

Sincerely
